*Adopted by Lewiston City Council by Ordinance 4108, August 15, 1994, last amended by Ordinance 4322, adopted December 9, 2002.*

- (27) Eating and drinking establishments
- (28) Commercial marina
- (29) Telecommunications towers, subject to the standards of section 37-13.1(4) of this code;
- (30) Alternative telecommunications towers, subject to the standards of section 37-163(2) of this code.

**Sec. 37- 111. Conditional uses permitted.**

In a "P" Zone, the following uses and their accessory uses are permitted when authorized in accordance with the provisions of Articles IV and IX:

- (1) Other public use;
- (2) Semi public use;
- (3) Scrap metal storage;
- (4) Asphalt Plant
- (5) Meat packing plant excepting stockyards;
- (6) Cement manufacturing;
- (7) Chemical storage and manufacturing, including farm fertilizers
- (8) Rendering plant
- (9) Heliport
- (10) Quarrying
- (11) Other manufacturing uses which are not permitted outright but which are consistent with the purpose of the port zone and are not detrimental to any of the outright permitted uses or other existing conditional uses.

**Sec. 37- 112. Limitations on use.**

In a "P" Zone, the following limitations on use shall apply:

- (1) Any use which creates a nuisance because of noise, smoke, odor, dust or gas is prohibited.
- (2) Materials shall be stored and grounds maintained in a manner which will not attract or aid the propagation of insects or rodents or otherwise create a health hazard.
- (3) All service, processing, and storage on property abutting or facing a residential zone or a through highway shall be wholly within an enclosed building or screened from view from the residential zone or a through highway by a permanently maintained, sight obscuring fence at least eight (8) feet high.

(4) Access from a public street to properties in the "P" Zone shall be so located as to minimize traffic congestion and avoid directing industrial traffic onto residential streets.

(5) Building entrances or other openings adjacent to a residential or commercial zone shall be prohibited if they cause glare, excessive noise, or otherwise adversely affect the use or value of the adjacent property.

(6) Effluent from permitted uses cannot be returned to the rivers without prior treatment or processing to insure compliance with existing city ordinances and state and federal pollution control standards.
