

# NOTICE TO ALL PORT OF LEWISTON TARIFF USERS

## REVISIONS TO TERMINAL TARIFF NO. 003

### EFFECTIVE SEPTEMBER 1, 2017

The Port of Lewiston is planning to make the following changes to the Port of Lewiston Terminal Tariff No. 003 effective as of September 1, 2017 (subject to Port of Lewiston Commission approval). Please take note for planning purposes.

**NEW SECTION ADDITION –**

**Section 20. Rail Track Usage**

- 20.1 Premises** -- The rail premises shall include the Port of Lewiston Northport Area.
- 20.2 Control of Tracks** -- The control of tracks within the Port Facility is the responsibility of the Port. As such, no railcars are to be delivered to the Port Premises without permission from the Port or its representative.
- 20.3 Track Usage** -- The Port’s rail tracks are intended to facilitate the use of its facilities for their intended purposes. Unless contractually allowed, or specifically approved, storage of rail cars on tracks for longer than 24 hours is prohibited.
- 20.4 Wheelage Fee** -- A wheelage fee shall be assessed each railcar that enters the Northport Area over the Port’s rail spur.

#### RAIL TRACK USAGE FEES

	<u>Measure</u>	<u>Rate</u>
