The Port Commission examined the Minutes for the Regular Meeting of December 13, 2017, and Special Meeting of November 9, 2017. Commissioner Thomason made a motion to accept all Minutes as presented; seconded by Commissioner Klemm. The motion passed unanimously.

## **MANAGER'S REPORT:**

**Active Agenda:** -- None.

### **Non-active Agenda -- Miscellaneous Project Review/Updates & events:**

Project updates and events were presented by Manager Doeringsfeld --

Strategic Plan update – Manager Doeringsfeld thanked the Port Commission for their time, direction and participation with the planning process. A final document will be developed over the next few months for adoption this spring.

Terminal II Lighting Upgrade – Well Connected, a local electrical contractor, will begin installing interior and exterior LED lighting improvements. The estimated cost of the project is approximately \$20,000 but rebates are available through the Avista Commercial Lighting Incentives program which will offset costs to a net amount of \$6,978. Inland 465 agreed to split the net cost with the Port.

Harry Wall North Stormwater Runoff Improvements – Crea Construction, a local contractor, has reshaped the land, located and exposed the buried culvert to assist in directing stormwater runoff from crossing the highway and down Col. Wright Way. Manager Doeringsfeld commented that ITD is responsible for maintaining and improving the inlet. He will be contacting them so that the culvert does not refill with sediment again. Discussion was also had regarding how the new stormwater ponds were functioning above the transfer station.

Best Building Floor Repairs – The Port will explore repairs for approximately four floor sections inside the Clearwater Converting side of the building. These high traffic areas will need to be removed and re-poured due to the concrete failing. Each section is approximately 20-feet square. The Port will coordinate with the tenant in regards to timing and phasing of the project in order to minimize the impact to tenant operations. Historically an epoxy topcoat has been applied to the affected areas but those are now lifting.

## **TERMINAL II, DOCK OPERATIONS AND FIBER OPTIC NETWORK**

### **REPORTS:**

Terminal II (Inland 465) -- David Doeringsfeld, Port General Manager, reported that the snow load and recent rains have created ponds on the roof that have leaked and damaged some Clearwater Paper Company product. The damaged product will be repulped for re-sale. The Port will pay the difference. The spring 2018 application on the roof will complete 100% of the roof, however, ongoing maintenance is expected.

Terminal I (Public Dock Facilities) -- Port Manager, David Doeringsfeld, next reported that the Clearwater Paper sawdust operation at the dock will be relocating to the upstream end of the dock during lock closure. Sawdust barges and wheat barges continue to arrive. Discussion was had in regards of removing the stairs along the east side of the Port's dock due to safety concerns.

Additionally, Manager Doeringsfeld reported that unexpected rail repairs are being made at the entrance to the Container Yard for approximately \$6,700. The track has been locked out until the repairs are complete which should be by the end of the day.

Year to Date container shipments remain at zero with wheat shipments down - 5.28%. Wheat shipments for the month of December as compared to the same month last year reflect an increase of 74% in wheat shipments for the month. A Year to Date and December shipping summary of statistics was reviewed. The annual grain barge count for 2017 was 185, yearend wheat tonnage totaled 620,394 and break bulk barges totaled 21.

Fiber Optic Network – Jaynie Bentz, Assistant Port Manager, reported on construction status and updates amending the Master Services Agreement.

## **COMMISSION COMMITTEE REPORTS:**

Commissioner Hasenoehrl/Urban Renewal Agency— Reported that the URA Board legal counsel recommended that the President and Vice President of the URA Board should not be an elected official. Therefore, Joe Heulett is the President and JoAnn Cole-Hanson is the Vice President. The URA board received project updates on the East Orchards Sewer project, Nez Perce Road extended and about a recently completed Airport Traffic Circulation study. URA Board members were invited to attend a Government Ethics Seminar on January 19.

Commissioner Thomason/Valley Vision/Chamber of Commerce Board – Reported that the LCV Chamber will be hosting their annual meeting tonight at the Red Lion. Also, some Valley Vision board members met with the new city of Lewiston Manager, Mr. Nygard stating he was in learning mode. Manager Doeringsfeld commented he will be reaching out next week to set up a Port tour and meeting with the new city manager.
